There are places I remember all my life
Though some have changed,
Some forever; not for better.
Some are gone and some remain.
All these places have their meanings.
With lovers and friends, I still can recall,
Some are dead, and some are living.
In my life, I've loved them all . . .

Oh, I know I'll never lose affection
For people and things that went before.
I know I'll often stop and think about them.
In my life, I've loved them all.
— Lennon-McCartney

DEDICATION

Enthusiasm for student participation is only one of Mrs. Peggy Golden's outstanding characteristics. In a span of four years, Mrs. Golden has helped to establish a higher degree of school spirit, an outstanding yearbook and a more adequate physical education department at Central. Her deeds reflect her love and faith in Central's students. With respect and affection, we dedicate the 1971 SANDPRINTS to Mrs. Peggy Golden.

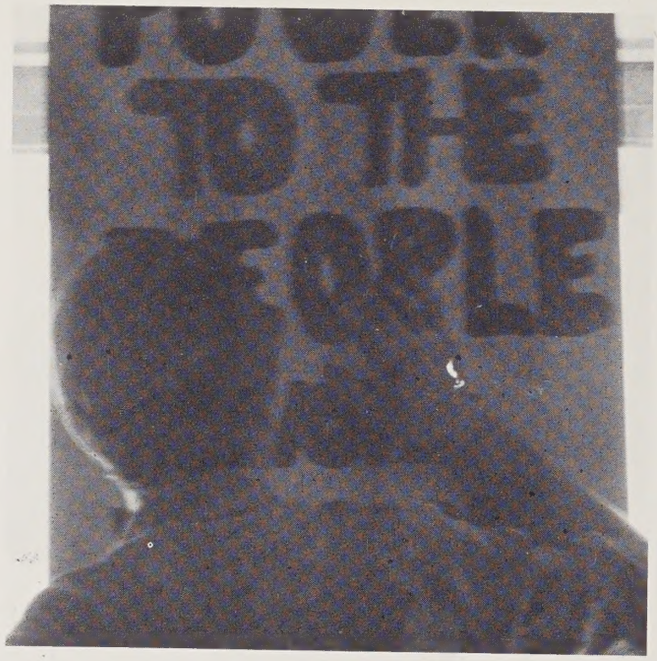
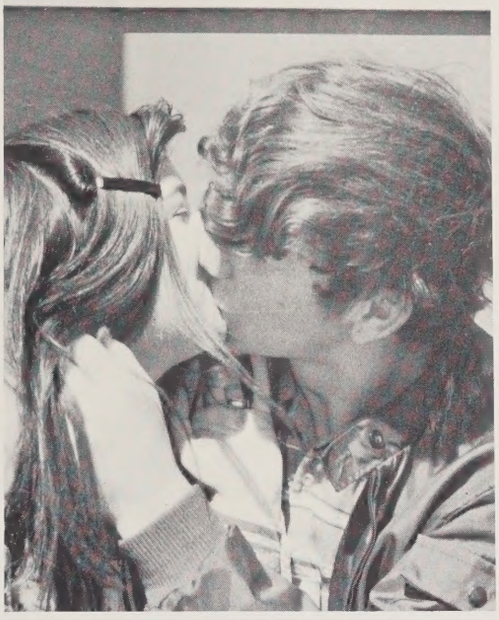
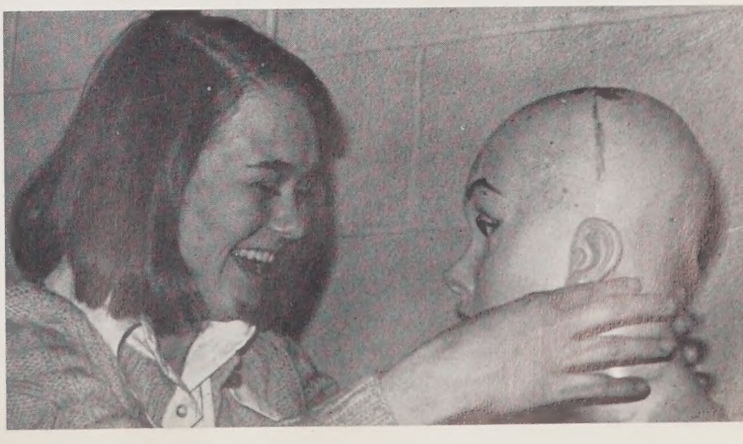
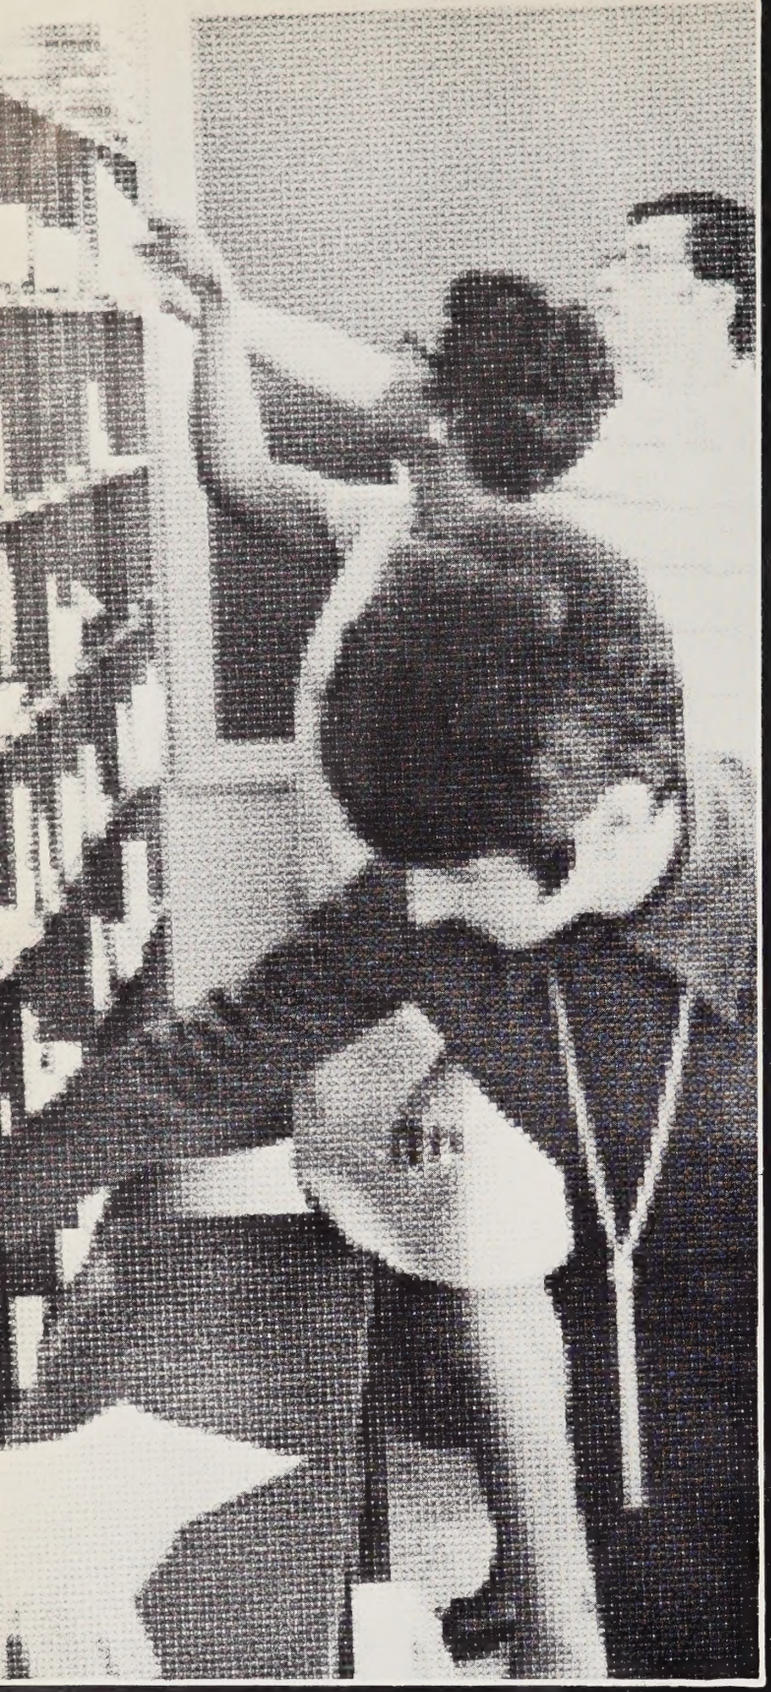
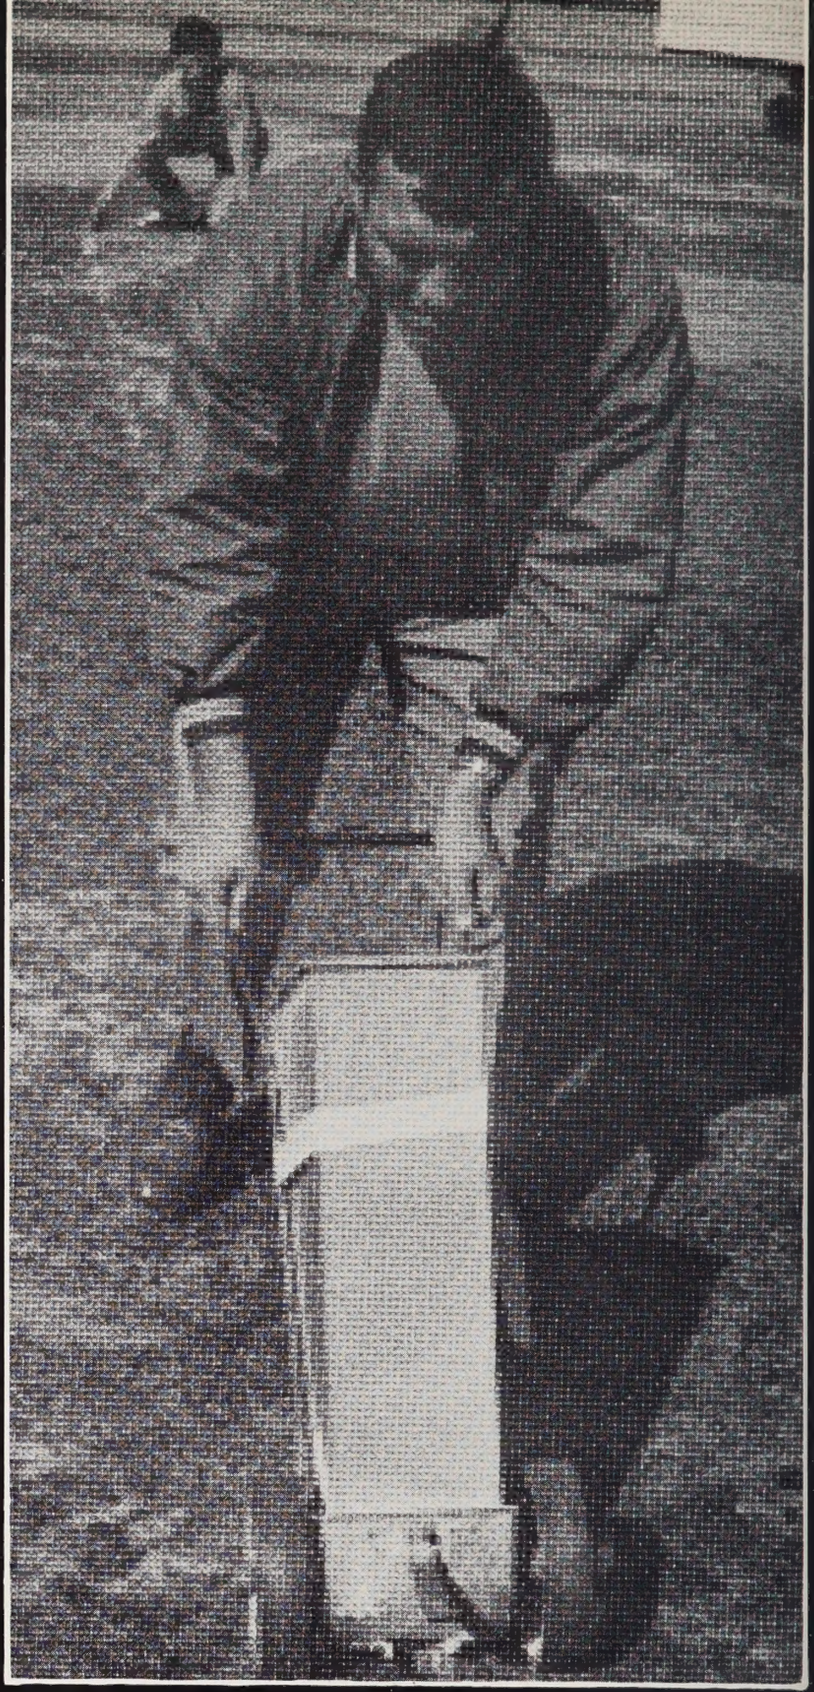
CHANGES



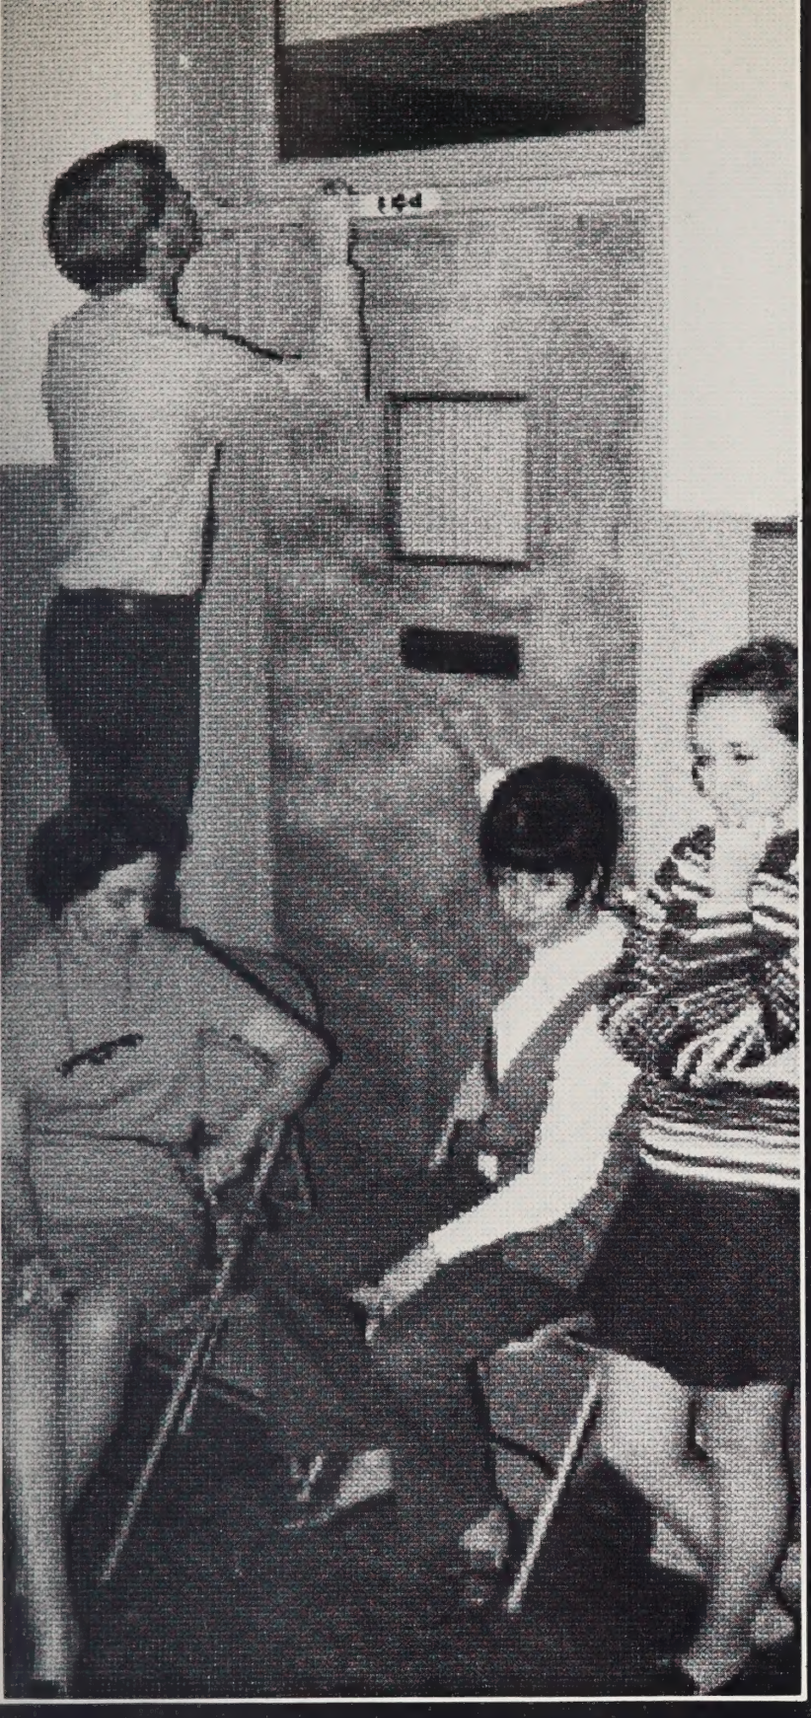








Administration



Few people offer as much
to our lives as the administration.
The administrators are our key
to the understanding of tomorrow.
They provide an outline of life
which we must fill with experience.

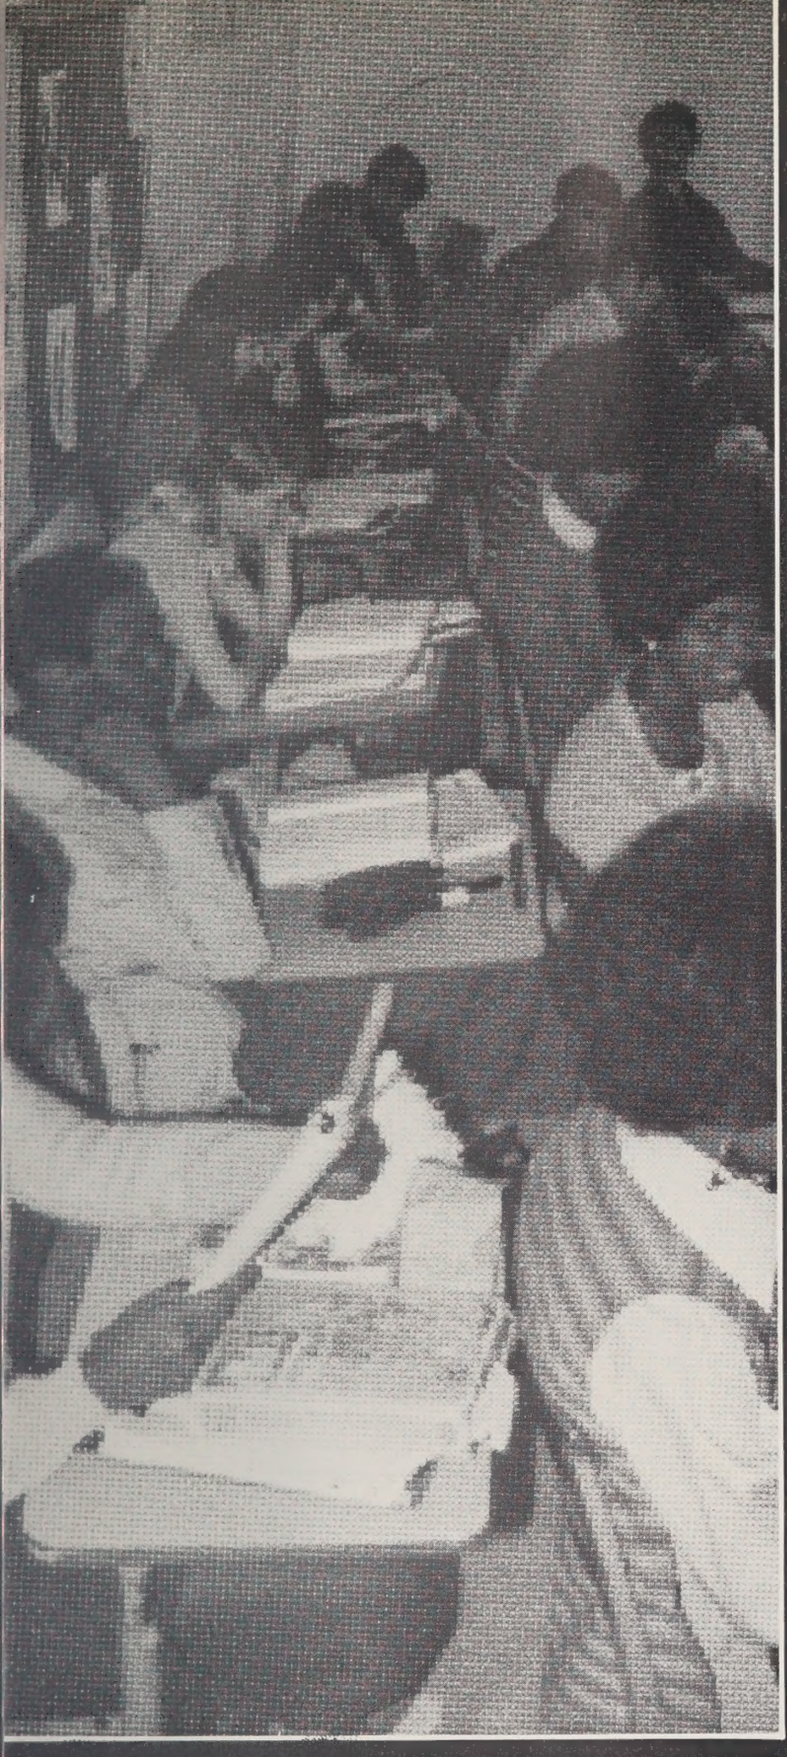
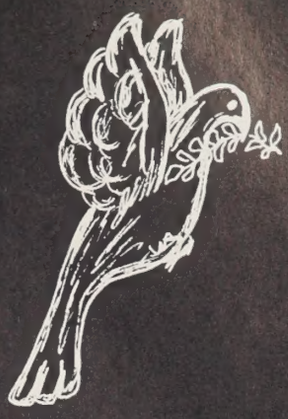
Academics





The classroom and the teacher
are only a minor part of learning.
Most of learning is the individual's responsibility
since he remembers longer the things for which he has worked.
The successes as well as the failures are his.

We are a gathering of tomorrow.
There are watching, and there are doers.
The watchers watch while the doers do.
There are individuals, and there are parasites.
The individuals do what they believe:
the parasites do what they believe.
Hypocrisy is a problem:
Who's going to change it?

Honors

If honors come while we are reaching
for a goal, we are pleased.
But we must not become confused;
the honor must not be our goal
but a result of our work
to attain it.

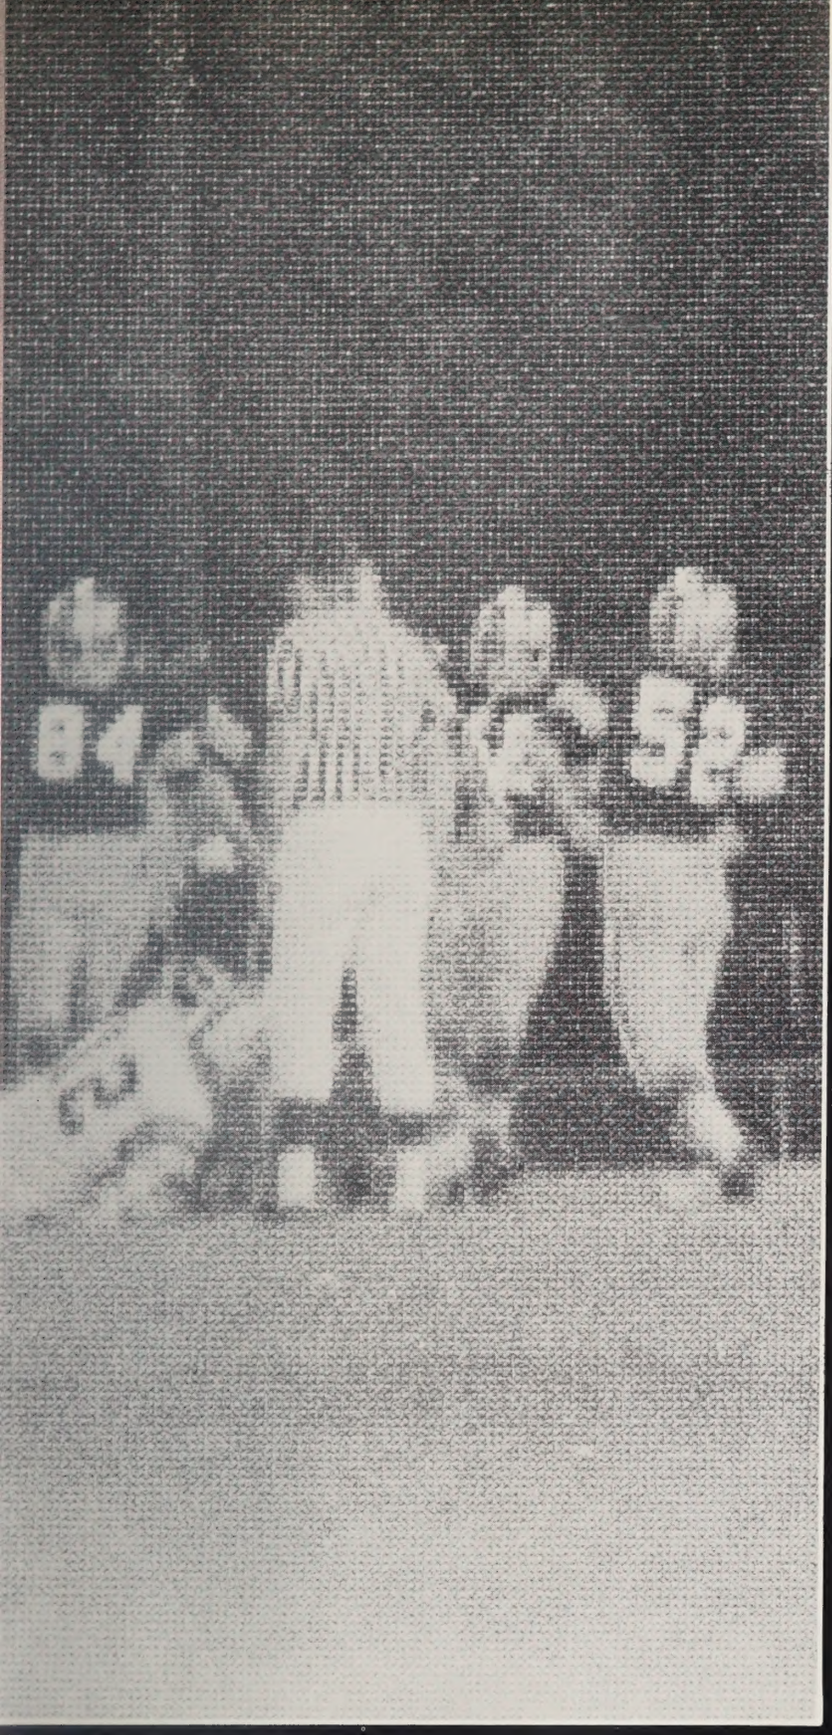
Athletics



Athletics provide an opportunity for mental
as well as physical fitness.
Besides making our bodies physically strong,
they aid us in learning to cooperate,
accept defeat, and strive for new goals.
Our dove offers its hope
that by developing a physically and mentally fit body,
we will be able to meet tomorrow successfully.

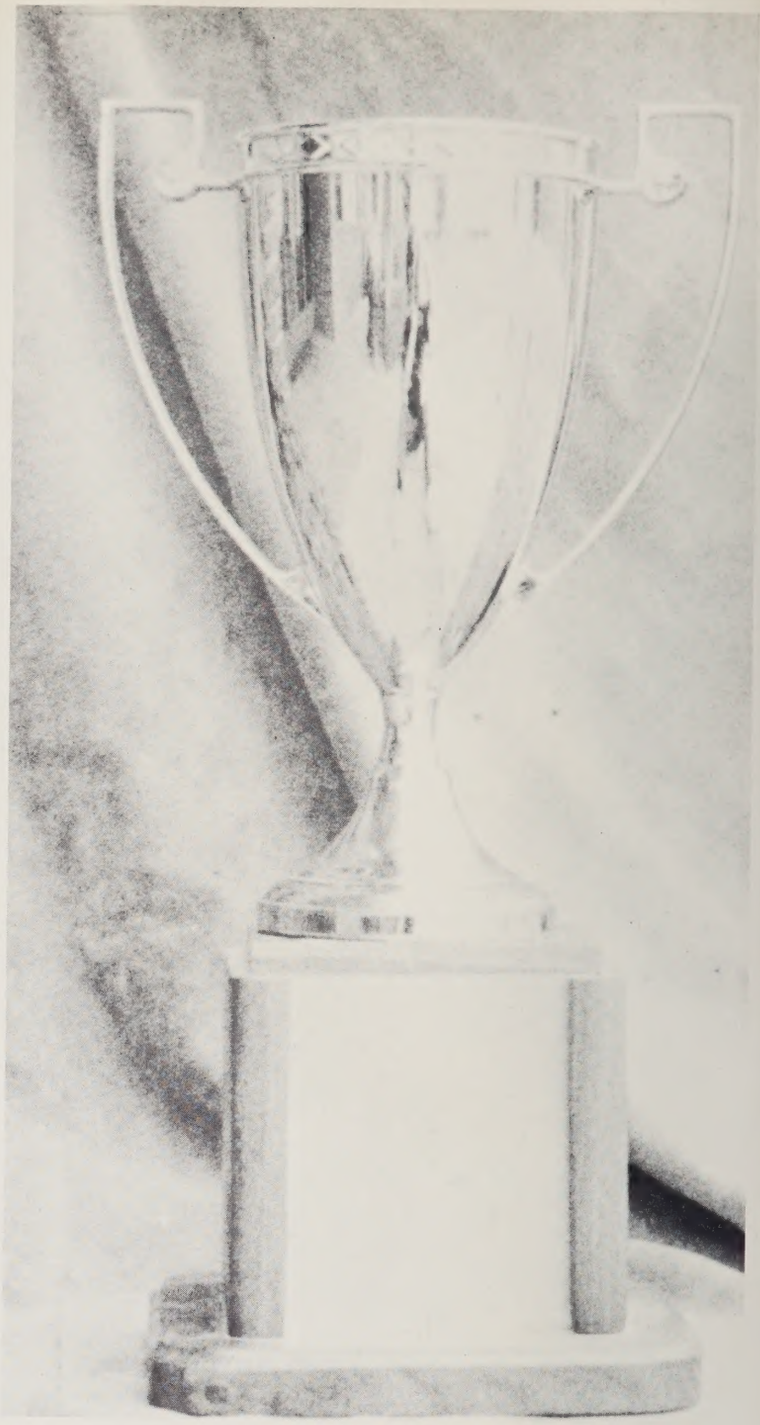
Everyone has their own idea of what should be in the yearbook. If you feel that we have not included all, the space is yours to make additions.



Sanford Central had a new award established during 1970-71.
The award was the Principal's Cup for outstanding achievement by an organization.

The SANDPRINTS also has an award. The first SANDPRINTS CUP is given for outstanding achievement by a principal. The cup is proudly awarded to GEORGE SEAGRAVES.

The following is a small list of his achievements:

The inspiring MASTER TEACHER
Enduring speeches
An overworked week in Nassau
A PANORAMA for everyone with a picture of?
A dependable IOU for 5 cents in the lounge coffee jar
The list could go on forever, but we thank him most for being there when we needed him.

Love is never
having to say
you're
Sorry.
